"A tried and tested way
of approaching chronic stress and
anxiety ... offering the participant
a toolbox of new skills and
strategies for becoming more
resilient, calmer and motivated"

This 8 weeks Breathworks course, designed to be delivered as 8 weekday evening classes, has been adapted to the 4 x 1 day format (in which each class covers two weeks of the original format, and happens every two weeks) - to suit those people who cannot take time at the end of a busy and tiring weekday to do such a course. This format makes it viable for people living a bit further away, to come to the daytime course in Totnes.
